

B2B DESIGNS COMPANY PROFILE

ABOUT OUR AGENCY

B2B Designs PTY (LTD) is a 100% black-owned creative agency launched in 2014, passionate about its services to render effective design, marketing and advertising solutions to SME's, predominantly black-owned businesses.

We understand small business and startups because we are one. Even though we're small, we're a highly charged team that understands the importance of building strong brands and applying design thinking to find solutions for complex business needs.

Our design capabilities extend beyond digital communication, including Above- and Below-the-Line advertising. This ranges from Logo's, flyers, business cards, magazine layouts, Web development to Online Broadcasting.

OUR MISSION

Help build black-owned brands and companies through graphic design, marketing and advertising.

WHY CHOOSE US?

We educate, guide and advise our clients about the possibilities of applying creative thinking to solving business challenges or to steer strategies.

We believe in flexibility, hard-work, on-time schedule and teamwork

Our capabilities lie both in graphic design and Web development

We listen carefully to our client's needs and help them find the right creative solutions

OUR VISION

Building long-term partnerships rather than doing single, quick-turnaround projects.
